TO : BENILDEAN COMMUNITY
 FROM : FINANCE DEPARTMENT
 SUBJECT : ONLINE PAYMENT

Dear Benildean Community,

Finance is quite glad to announce the successful implementation of the online payment system through the Student Information System (SIS). Given this development, we will now centralize all payments to this online facility which is accessible at <https://www.benilde.edu.ph/payonline>. This will allow Finance Department to properly account payments without the need to secure proof as long as the transaction goes through the link as provided. Therefore, we encourage all students and parents to pay via this link.

Aside from convenience and accessibility, this payment facility is more secure. Payees have the option to pay via Credit Card or through Dragon Pay which has a wide selection of payment services as follows:

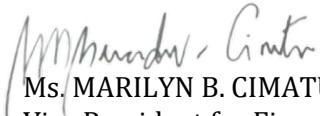

Online Banking/E-Wallet	Over-the-counter/ATM Banking	Over-the-counters-OtHERS
